Notice Concerning the Possible Loss Arising from Business Activities (Update to Disclosed Matters)

OSAKA SODA Co., Ltd. (the “Company”) hereby announces the restoration status regarding the “suspension of some production facilities due to manufacturing equipment problems at our Mizushima Plant,” as disclosed on April 25, 2023.

1. Restoration status

Regarding the malfunctions of the main equipment for the Allyl Chloride production facility that occurred on April 4, 2023, we inform you that the restoration plan was implemented at the end of June 2024 and the supply problem has been resolved.

We deeply apologize for any inconvenience caused to everyone concerned, and we will strive to regain trust by continuing safe and stable operations by strengthening facility management and fulfilling our responsibility to supply products.

2. Future outlook

Taking into consideration the business environment to date and the future outlook, there will be no changes to the previously announced consolidated financial results for the fiscal year ending March 31, 2025.
